

# 13th Annual Table Talk

## Converse, Share, Learn

**Table Talk** is a fascinating combination of conversations over lunch, led by dynamic women of various cultures, professions and experience at each table.

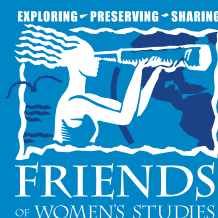

**Table Talk** benefits the Women's Studies Program and the Women's Archive and Research Center (ARC) at the University of Houston. The Women's ARC was established in 1996 to collect, preserve and share the stories of women's contributions to the life and culture of Texas and Houston. Our focus is the written records and oral histories of women's organizations and of individual women who have affected our lives.
